

Window Cleaning Services from Cleaning Formulas

As specialists in industrial and commercial cleaning we operate a Reach & Wash Thermopure Hot Water purification system, working from the safety of the ground to clean windows.

This reduces risk, saves time and most importantly saves your company money.

- Exterior & Interior window cleaning programmes
- Monthly, Quarterly, Annually or on an ad-hoc basis
- No Detergents or Chemicals, just pure Hot Water
- Working from the ground - no ladders
- Working up to heights of 70ft
- Reduces Disturbance and Maintains Privacy
- Cost Effective Window Cleaner
- Fully insured and Health & Safety compliant - Copies will be provided

About Cleaning Formulas

Cleaning Formulas is a family owned company established in 2007. We are based in Moray and work all over the North of Scotland. Working both with traditional methods and using the latest in cleaning technology, we endeavour to exceed your expectations in service, quality and deliver a cost effective cleaning programme tailored to your companies specific needs.

Other Services

We provide a wide range of commercial cleaning services including commercial carpet cleaning ideal for office areas and visitor centres. Our gutter cleaning service operates to a height of more than 50 ft without the need for a ladder.
